

Corporate Social Responsibility Program

Since its inception in 2009, Touch Projects has always had a corporate ethos requiring it to ‘give back’. Over the years we’ve done this in different ways, but each year we set ourselves targets, and then strive to exceed them!

The Touch Projects Board has agreed the following priorities for FY 2019/20, in line with our over-arching CSR Policy.

Priority	Description	Commitment
<p>Mill Park Soccer Club</p> <p><i>Annual sponsorship</i></p>	<p>Mill Park Soccer Club (‘MPSC’), in the outer northern suburbs of Melbourne, is a community-based club run by parents and local volunteers. It has approximately 340 kids and young adults from diverse backgrounds competing across 24 teams (from under-7s to senior teams). This includes numerous girls’ teams across most age groups.</p> <p>The primary objective of the club is to provide an avenue for local kids to participate in a popular sport, a little or no cost to them. The MPSC conceived the notion be a socially and culturally-accepting place for kids of all ages, abilities, and backgrounds.</p> <p>Touch Projects is committed to support this fantastic club financially as well as volunteering on a regular basis. Our General Manager and CEO both volunteer in the kitchen to help the club to further raise more money. This sponsorship and involvement go toward funding various programs which help to develop the kids to become better team and community members (as well as developing their game skills!). As Touch Projects grows in New South Wales, our objective is to find and partner with a similar local sporting club... even if it has to be rugby!</p>	<p>Annual sponsorship package and weekly engagement from Touch Projects’ Management Team</p>
<p>Movember</p> <p><i>Annual sponsorship</i></p>	<p>Movember’ has been around for a little longer than Touch Projects, but we’re proud to have been part of it for the last few years.</p> <p>One of our principals is leading this great initiative, and he is encouraging our team to get involved as well, but from 2019 onward Touch Projects is attacking ‘Movember’ with all our corporate might.</p> <p>We’re really proud to support the amazing work Movember does (focusing on prostate and testicular cancer and mental health), and we look forward to pushing the envelope in 2019 (and pushing our team, clients, and friends too).</p>	<p>Touch Projects’ Principal participating</p> <p>Commitment to match funds raised dollar-for-dollar</p>
<p>Vinnies CEO Sleepout</p> <p><i>Annual participation</i></p>	<p>The Vinnies CEO Sleepout is a one-night event over one of the longest and coldest nights of the year. Hundreds of CEOs, business owners as well as community and government leaders sleep outdoors to support the many Australians who are experiencing homelessness. Each CEO Sleepout participant commits to raising thousands of dollars to help Vinnies provide essential services to the people who need them.</p>	<p>Touch Projects’ CEO participating</p> <p>Commitment to match funds raised dollar-for-dollar</p>
<p>International Women’s Day</p> <p><i>Annual participation</i></p>	<p>We’re committed to the importance of equality and diversity, and this provides us the opportunity to show our female team members how much we appreciate them.</p>	<p>Full team event</p>
